COURAGE SELF-CONFIDENCE LEADERSHIP CHARACTER TEAMWORK

WELCOME TO ODYSSEY CHEER COMPANY

Thank you for your interest in the Odyssey Cheer Company cheer program. The mission of our competitive cheer program is to train with integrity, respect, and build championship squads through team unity and individual commitment. Our goal is to encourage and instill confidence in our athletes, offer leadership opportunities and foster lifelong friendships and memories.

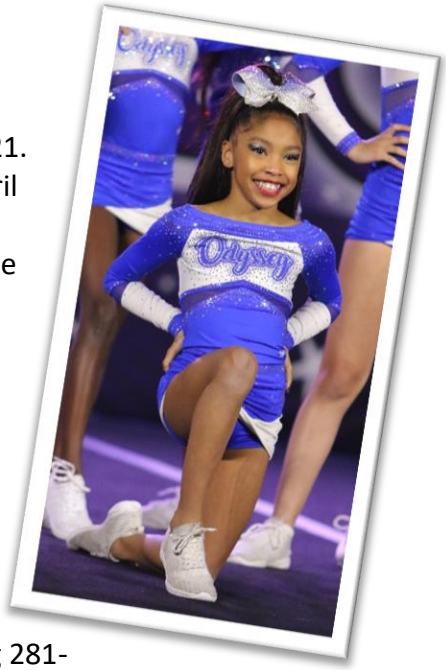
At Odyssey Cheer Company (OCC) we are committed to providing your athletes with the best coaching and skill building available so that they may have a successful future in cheerleading. In our team program, we value all our athletes regardless of age or skill level and want to foster love of the sport of cheerleading through consistent progress and achievement.

At Odyssey Cheer Company, we guide and mold our athletes into adults who will make a difference. In addition to top-flight competitive cheerleading opportunities, over the cheer year we participate in several outside activities to help our athletes grow as young people and recognize their achievements:

- **Philanthropy Project:** Each year the Odyssey Family will come together to support one or more local charities as our athletes learn the value of giving back to the community and helping those in need.
- **Annual Retreat:** our annual weekend retreat is an optional event where Odyssey athletes participate in leadership, team building activities, and games with their odyssey Family. This event will take place on a weekend in September at an overnight camp facility.
- **Awards Banquet:** At the end of the cheer season, the Odyssey Family will come together for a banquet dinner that included dancing, awards, and a celebration of the past year together.
- **Recognition:** We value the loyalty of our Odyssey Family, athletes are recognized at their 3rd, 5th, 7th and 10th year anniversaries. Additionally, graduating senior athletes will receive a $100 scholarship for each full high school year they cheer at OCC.

If you have any questions about this packet, the tryout process, team assignments (All-star, Prep, Novice and Showteam), or anything else, including the facility or our staff, please feel free to ask any owner or staff member of OCC for help or assistance. Our office hours are 4pm to 8pm Monday through Thursday, and other times by appointment. You can reach us by phone 281-741-0531 or anytime at info@odysseycheer.com

EVALUATION INFORMATION



Athletes trying out are encouraged to attend April team workout sessions before trying out. Contact the front desk dates and pricing information. Athletes will sign up for a private evaluation time to demonstrate jumps, tumbling, flying ability (if applicable) and a short dance combo on May 1, 2021. The tryout material will be taught to the athletes **during the last week of** April workout groups. Our team evaluations are as relaxed as possible, and each evaluation will conclude with a short interview to go over athlete goals for the upcoming season.

Try-out Attire: T-shirt or sports bra, spanks or shorts and lightweight tennis shoes or cheer shoes with hair pulled into a ponytail with a bow. Athletes are assigned tryout numbers during evaluation. Evaluations will be Saturday May 1, 2021. If you cannot make it on this day, you can tryout during the preceding week by appointment.

Evaluation Procedures:

1) Schedule an evaluation time after 4/10/2021 with the front desk by calling 281-741-0531 OR request an evaluation time in your parent portal under the CAMPS/EVENTS TAB. Parent Portal Link: https://app.iclasspro.com/parentportal/odysseycheerco

2) Read through the 2021-2022 Cheer Contract Packet and program offerings/payment information sheets. All-star cheerleading is a SELECT sport and requires a large time and financial commitment. Please make sure you understand what you are committing to.

3) Turn in the 2021-2022 All-Star Registration Form, Parent & Athlete Rules Form & the Credit Card Authorization Form found in this evaluation packet. If this paperwork is not turned in your athlete will not be able to try out.

4) New athletes - turn in a photo and birth certificate. Returning athletes - turn in a current photo.

5) If you are not a current member, a $55 non-refundable registration fee per athlete will apply.

6) Submit practice wear & practice bow payment on or before your evaluation time. $200 for competitive teams & $100 for Prep, Showteam and Novice.

Odyssey Cheer Company will always do what is best for a team to grow and have success throughout the season. Athletes will be considered for teams based on age, level availability and level requirements. Please note that athlete maturity, dance ability and jumping skills are also taken into consideration during team evaluations. Skills MUST be consistent and demonstrate STRONG technique in order drive the future success of a team. In the event that an athlete possesses exceptional strength in another area besides tumbling (ex: basing or flying), the athlete may be considered for a higher-level team. We are looking for well-rounded athletes with strong work ethic - simply having the necessary tumbling skills does not guarantee that a candidate will automatically make that level team.

KEY DATES: Sunday, May 2, 2021 – Evaluation Results Emailed
Team practices begin May 3, 2021

POLICIES & PROCEDURES

	ABSENCE POLICY: We understand that a quest for greatness is achieved with self-discipline and dedication. Athletes and parents are expected to be able to manage school, family activities, and athletics during cheer season. Athletes should plan their days and weeks to complete homework outside of cheer practice times. Missed practice sessions impact the entire team's stunts, formations, and tumbling sequences and cannot be fully executed. Athletes are expected to attend **all** practices. We ask that school cheerleaders and parents request a school cheer/sport schedule in advance for the coaches as well as contact information for their school team coach. We expect top priority and 100% commitment to attending every practice. Adhering to this policy allows us to keep extra practices to a minimum. During weeks before show-offs and regional competitions, and during the two weeks prior to all national events, there are NO ALLOWED absences, these will be BLACK OUT Dates on the calendar. Missing a practice during these weeks may result in immediate dismissal from a team. Odyssey Cheer allows a maximum of 3 absences September – April. ALL ABSENCES MUST BE SUBMITTED BY EMAIL TWO WEEKS PRIOR TO THE ABSENCE TO: INFO@ODYSSEYCHEER.COM
	ILLNESS: Athletes with fever, vomiting, or diarrhea are asked to not attend practice. If an athlete is "not feeling well", they are still expected to attend practice, but sit out as needed to observe team activities. During the school year, no more than two unexcused practice sessions will be allowed. Beginning January 2022, only one unexcused practice session will be allowed through the end of the season. In the case of severe illness, the day of an event, parents are expected to stay in contact with OCC staff and work with a doctor in order to make every attempt to make the child better as soon as possible.
	PRACTICE SESSIONS: Competitive teams will practice twice sometimes three times per week, typically for two-three hours per session Sunday-Thursday. All-Star Prep & Showteam will practice twice a week. Be prepared for practice session lengths or practice days to increase as the national's season nears. These extra practice sessions are included in your monthly tuition.
	CLOSED PRACTICE SESSIONS: All extra practice sessions will be closed for viewing. Occasionally practices may be closed throughout the season for viewing allowing for athletes to have 100% focus on the team and coaches at all times.
	INJURY/RETURNING TO PRACTICE: If an athlete is injured in or outside of the gym, the athlete may sit out for one practice without a doctor's note. Anytime longer, a doctor's note is required. If a replacement is needed to temporarily fill in for competition, the athlete will be allowed to return when they are medically released and able to fully perform their team duties. This decision will come from coaches and owners. Tuition fees are still due even when athletes are sitting out.
	TUMBLING CLASSES: Practice sessions are not intended for perfecting tumbling. If your athlete is lacking some skills or losing strength tumbling, it is the parent's responsibility to contact the front desk and arrange for private lessons or to enroll in additional tumbling classes. We have added a 30% discount on tumbling classes, a $20 drop-in fee for team members.
	SUMMER VACATION: We understand that summer vacations are important for our Odyssey Family. However, if you are in town you need to be at practice! We ask that athletes have no more than 3 approved absences during the months of June, July, and August. Vacation absence notifications must be received on the Vacation/Prior Commitment Form before tryouts or two weeks minimum prior to absence.

	COMPETITION SCHEDULE: Our competition and event schedule will be released in late July/early August but may be subject to change. All competitions are mandatory, and athletes shall be available the entire weekend to perform. In most cases, event schedules (including arrival and dismissal times) will be available on the Tuesday or Wednesday before the competition or event. Some events may require teams to compete on Friday. While we try to limit Friday performances, please be aware this is a possibility. Please check the competition schedule and gym calendar at www.odysseycheer.com before making travel and vacation plans, especially around major holidays. Mandatory Nationals practices will begin January 2022.
	COMPETITION DAY: Athletes are to arrive on time to designated meeting area in full uniform, no exceptions. This means that make-up and hair need to be performance ready upon arrival. A make-up and hair video will be provided before competition season begins. If you need help getting ready, you will need to arrange to meet with a team mom or another parent BEFORE the team meeting time. No jewelry, gum, or nail polish is allowed. Skin-toned or nude undergarments must be worn at all events. Athletes are to remain in full uniform for the entire event. Staying for award ceremonies is MANDATORY. No backpacks, phones or baseball jerseys may be taken/worn to award ceremonies.
	RESPECT: OCC athletes are to show good sportsmanship at all times. OCC athletes will show respect to teammates, coaches and parents, regardless of team placement - we will always win and lose as a team. OCC athletes and parents will be courteous to other gym or team parents, athletes, and competition officials regardless of how treated. Being discourteous or disruptive can cause our teams to be sanctioned (losing points or disqualified from events). Parents and athletes are to never contact competition officials or judges directly (either in-person, by email, by phone or any other means).
	TRAVEL: Hotels may be required at some events for competitive teams. Most out of town events require teams to book with their travel company ("stay to play" events). Athletes will be required to stay at these hotels to participate. All rooms and travel costs are the responsibility of the parent.
	SAY NO TO DRAMA: We are a drama free gym. You start it and you will be put on a drop off status. If your athlete creates it they will be dismissed. We will not participate in negative gossip or communication. Our actions in the parent viewing area and on the cheer floor are a reflection of Odyssey Cheer Company. There are no "secret text groups" allowed between athletes and/or parents. All contact needs to remain on the designated TeamApp. Never post anything negative on social media about teammates, programs or parents. This includes "venting" - negativity will not be tolerated and is immediate ground for dismissal from Odyssey Cheer.
	OCC RIGHTS: OCC owns the rights to all program material including music and logos. Material may not be reproduced in any manner without written permission from OCC. OCC has the right to use any picture or videos of athletes taken while participating with Odyssey for use on the Odyssey website or marketing material. No posting of team routine videos on social media or YouTube without permission from OCC. Accounts must be current to receive any specialty items such as uniforms, backpacks, and practice wear etc. In the event an athlete is removed from the OCC, there are no refunds of any kind, and any outstanding balances must be paid.

I _____ agree to adhere to the rules and guidelines above and have read and understand the 2021-2022 information packet and will display good sportsmanship throughout the cheer season at the OCC facility and at outside events. OCC retains the right to remove any parent from the OCC facility or at outside events/competitions for violation of these rules or at management discretion.
